

**Post-Exposure Prophylaxis
Pharmaceutical Compassionate Care Programs**

Merck: Isentress (Raltegravir)

Merck provides assistance to patients who have been prescribed ISENTRESS® (raltegravir) and to whom the following conditions apply:

- **Patient lives in the United States (does not have to be a US citizen) and has a prescription for ISENTRESS from a doctor or prescriber licensed in the United States, and**
- **Patient does not have insurance or other coverage options for ISENTRESS, and**
- **Patient cannot afford to pay for ISENTRESS**

Phone: Call **1-800-850-3430**, 9 am to 6 pm ET, Monday through Friday, and a SUPPORT™ Program Specialist will begin the enrollment process

Fax: Fax the completed enrollment form to **1-866-410-1913**

- All sections on the enrollment form need to be completed
- The form must be signed by the prescriber and patient
- Incomplete or incorrectly completed enrollment forms will slow down processing of the request

Isentress prescribed as part of the nPEP regimen will be delivered to the patient or provider in 24-48 hours.
