

**Post-Exposure Prophylaxis
Pharmaceutical Compassionate Care Programs**

ViiV: Tivecay (Dolutegravir)

- Call 877-784-4842 to register a Patient Advocate for your institution.
- Co-Advocates can be listed under the institution's Advocate ID Number.
- It is preferable to establish an ID Number for your institution prior to advocating for patients.

Complete the ViiV Healthcare Patient Assistance Program application in its entirety.

- Call to complete a phone enrollment: 877-784-4842
- When the phone enrollment process is completed, the ViiV represent will issue a patient ID number beginning with the letter V
- Enter the patient's name and ID number on the voucher which appears at the bottom of the application, page 1
- If possible, call the prescription in to the pharmacy to expedite processing
- Give the voucher to the patient to present at the pharmacy

Fax the application to 887-784-4004.

- No proof of income is necessary at the time of application
- ViiV would appreciate a brief statement by the patient advocate, on the institution's letterhead, validating the income listed on the application:
 - "To the best of my knowledge, the yearly/monthly income of _____ as stated on this application is accurate."
Patient's name
